

**Privatization
Authority**

Unlocking Value, Enhancing Productivity

CONTROLLED

QUALITY POLICY STATEMENT

The Privatization Authority is committed to implement the Privatization Programme in a transparent, collaborative and competitive manner to achieve desired national objectives, and shall endeavour to meet the needs and expectations of all its stakeholders.

In pursuit of this, the Authority shall:

- Implement a Quality Management System based on ISO 9001:2015 standards;
- Periodically measure, analyze and evaluate the effectiveness of the Quality Management System for continual improvement;
- Determine the needs and expectations of interested parties and comply with all applicable customer, statutory and regulatory requirements; and
- Establish quality objectives at relevant functions that are consistent to this quality policy.
